

Wayland High School Scholarship Committee Scholarship Application Form

The Wayland High School Scholarship Committee encourages applications from all students of Wayland High School or residents of Wayland in need of financial assistance. The committee also considers scholastic achievement, academic promise and community service in addition to financial need. Each applicant must provide evidence that all available state and federal resources are being actively pursued, but that there will still be significant unmet need.

The committee gives scholarships to assist with **FIRST YEAR FINANCIAL NEED ONLY**. The student does not need to attend a four-year college as long as the program of study is full time, will result in a degree or diploma, and is consistent with the student's ability. We also support two-year, vocational and prep school programs of study. The awards are sent directly to the college/school prior to your matriculation.

Applicants must submit the Free Application for Federal Student Aid (FAFSA) to the federal processor, usually in January after income tax returns are filed and family information is available. Information from the FAFSA will be used to generate the Student Aid Report (SAR), which will be sent to each of your chosen colleges. Colleges and committees like ours use the SAR as the standard basis for awarding a variety of need-based financial awards. **In order for your application to be considered, a copy the Estimated Family Contribution (EFC), must accompany this application. No application will be processed without this information.**

The Committee relies on the accuracy and completeness of the information provided in the application and the SAR to make its decision. If the information is incomplete or inaccurate, your eligibility will be jeopardized. Both student and parents/guardian should carefully review the application for accuracy and sign where indicated.

Please deliver your completed application to the Guidance Office by March 31. It should be in an unsealed envelope, addressed to the Wayland High School Scholarship Committee. Please remember that we are unable to process incomplete applications.

The Guidance Office also provides us with a copy of your transcript and letter from your guidance counselor. If you receive additional information from your college after March 31, please bring it to the Guidance Office as soon as possible so they can forward it to us.

The Committee will contact each candidate by email or telephone to set a date for an interview in late April, at which time you will be required to bring in an updated copy of Section VII, which asks for the financial aid package from your chosen school. This page is also available on the Scholarship Committee's page on the high school's website.

If you have other questions about the application, please contact your guidance counselor.

Thank you! We look forward to receiving your application.

VI: The Robsham Scholarship

The Wayland High School Scholarship Committee awards scholarships in honor/memory of people who have served our school system and community. One of the scholarships is the Robsham Award, which was established in 2001. This unique award recognizes students desiring a substance free collegiate experience. Unlike other WHS scholarships, this award asks the student to take a pledge in conjunction with a monetary award. The pledge states:

‘Out of respect for the gifts of mind and body that are mine, and in appreciation to the persons responsible for the significant financial gift that established this scholarship, it is my firm intention, on my honor, to avoid using tobacco, alcohol or other non-medicinal drugs that are abusive to my gifts of body for as long as I am a student scholar. Both by example and by word, when words are likely to be successful, I will encourage others to avoid these forms of abusing their gifts of body, and I shall limit my association with those who fail to do so.’

I wish _____ do not wish _____ to be considered for the Robsham Scholarship.
