"I am so grateful for the opportunity to pursue my dream of attending college next year."

*Recipient of a 2018 WHS Scholarship Award*

2018

Dear Friend and Neighbor,

Many members of the Wayland High School Class of 2018 are awaiting their college acceptance letters and they are also beginning to make decisions about how they will afford to finance the exorbitant costs of pursuing higher education. Unfortunately, without financial assistance, many of our graduates simply cannot afford these costs, but thanks to the extraordinary generosity of individuals, families and businesses in our community, the Committee is able to award scholarships to many of those seniors who have financial need and show academic promise. Last spring our program was able to award \$88,500 to 29 deserving graduating seniors. We were thrilled to be able to grant these awards and once again we are here to ask for your generous support so we may continue in this effort.

Each spring the **Quarter Century Service Awards** are given out to honor those individuals who are retiring from the Wayland School System after 25 years or more of service. Although this year there are no retirees with 25 years of service, we will grant this scholarship award to a member of the class of 2018 so we may continue to extend our gratitude for all previous honorees who have made numerous contributions to the excellence of our schools.

This year we have added a new fund in memory of Cindy Lombardo, a beloved member of our WHS Scholarship Committee and the Wayland community. A lasting tribute to acknowledge her countless contributions and active support of this program and the many ways she worked to assist so many Wayland students achieve their dream of higher education.

We encourage you to make a donation today and truly make a difference in the life of an aspiring scholar by contributing to the Wayland High School Scholarship Fund. The attached donor card will direct your tax-deductible donation to one of the following funds:

- The Current Award Fund – allocated entirely to the class of 2018
- The Endowment Fund – permanently invested - a portion of the earnings available in 2018

Thank you again for your continued support and generosity. The impact on our students is profound and long lasting.

With gratitude,

Phyllis Kennedy, Chair  
Wayland High School Scholarship Committee
